

## Electronic Prescription Service

From 15th July, this practice is introducing a new NHS service that will allow your prescription to be sent electronically from your GP to your pharmacy.

This service is ideal for patients on stable, repeat medications, who use the same pharmacy to collect their prescription all of the time.

To sign up, please complete the attached nomination form.

The next time you require a prescription, you should order in the same way but there should be no need to come into the practice, as it will be sent electronically to the pharmacy.

To find out more about the service visit [www.hscic.gov.uk/epspatients](http://www.hscic.gov.uk/epspatients), pick up a leaflet from reception or please speak to the staff at your pharmacy or GP practice.
