## **SystemOnline Patient Access Disclaimer**

I (the patient) am requesting access to my own records online through the SystemOnline service with the ability to ultimately access appointment booking/cancelling, ordering repeat prescriptions and access my health records. I therefore take full responsibility for access to my account, not allowing anyone else access with my username and password.

To access this service go to our website and click on the "Online Services" tab. Then click on the banner that says SystemOnline.
